

Application Instructions: Be sure to complete Steps #1-10. Applications not filled out completely, legibly, and accurately will be disqualified. No person may file more than one application. Any person submitting more than one application will be disqualified. You must possess a valid Maine license to hunt big game at the time you apply for an any-deer permit (see Eligibility Section on the back for exceptions). Do not wait until the last minute to buy a license or to submit your application. Apply online at www.mefishwildlife.com.

- 1 Print your 2009 Maine hunting license number and expiration date. If you are a resident landowner and do not purchase a license to hunt on your own land, please complete and submit a landowner affidavit with your application (see Eligibility Section on the reverse side for more information).
- 2 Enter your name, mailing address, legal residence, date of birth and phone number. (The phone number will only be used to contact you for additional information to complete your application.)
- 3 Select residency (Resident or Nonresident).
- 4 Select any-deer permit district (WMD) choices (1st, 2nd, & 3rd) in order of preference (See Section on WMD's). If you don't want more than 1 choice, only select 1 choice.
- 5 Select bonus deer permit WMD choice (See Section on Deer Hunting Districts).
- 6 Sign and Date Your Application.
- 7 If you are a Superpack license holder and wish to apply for a superpack antlerless deer permit, please select your WMD choices (1st, 2nd, 3rd etc.) in order of preference. WMD choices for the year are 15, 17, 20, 21, 22, 23 and 25. Note: A superpack license is available to residents only.
- 8 **For qualified landowners only.** Complete landowner permit application (See Section on Landowner Permits). The location of the qualifying property must be provided. You do not have to apply in the same district where the 25+ acre parcel of land is located if you apply with a hunting license. The district choices on your application apply to both drawings. You will automatically be included in the general permit drawing if you are unsuccessful in the special landowner drawing.

9 To obtain proof that your application was received, please send a stamped, self-addressed envelope with your application. We will send proof of your application back to you.

10 Return your completed application to: Any-Deer Permit Application, Maine Dept. of Inland Fisheries and Wildlife, 284 State St., 41 SHS, Augusta, ME 04333-0041.

Wildlife Management Districts: For an **any-deer permit**, enter up to 3 WMD choices in order of preference. To apply for a **bonus deer permit**, enter 1 WMD choice in the "Bonus Deer Permit WMD Choice" box. Selection of permit holders will be done by WMD. Permittees will be chosen through chance drawings and will be assigned to a WMD using their preferences as indicated on their application. Bonus deer permits will only be awarded in WMDs where there are more permits available than applications received. In 2008 there were no bonus permits available. If you do not want to apply for an any-deer permit but would like to apply for a bonus deer permit, should bonus permits be available, then leave the Any-Deer Permit WMD choices blank and only fill in your bonus deer WMD choice. Be sure to verify your WMDs before submitting your application. No WMD changes can be made after the drawing.

Landowner Any-deer Permits: 25% of the permits in each WMD will be awarded to qualifying landowners in a special landowner permit drawing. Any private landowner is eligible for the landowner permit drawing if the person owns a particular piece of land that is: 25 or more contiguous acres in size; agricultural, forested or undeveloped land; and is open to hunting, including hunting by permission. Any dependent living in the household of a qualifying landowner is also eligible. An applicant's hunting privilege cannot be under revocation. Any shareholder in a Chapter S Corporation is eligible for the landowner permit drawing if the corporation's principle business is forestry or agriculture and owns a particular piece of land that is: 25 or more contiguous acres in size, is agricultural or undeveloped land; and is open to hunting including hunting by permission. Dependents of shareholders are not eligible.

2009 MAINE ANY-DEER PERMIT APPLICATION

ELIGIBILITY

You must possess a valid Maine license to hunt big game at the time you apply for an any-deer permit.

Residents may purchase their hunting license online at www.mefishwildlife.com or from license agents throughout the state. **Landowners applying without a hunting license cannot apply online.**

Nonresidents and aliens may also purchase their hunting license online or by mail at the time they apply for their any-deer permit.

A junior hunting license is not valid unless the holder is at least 10 years old and not more than 15 at the time of purchase. Although licenses can be pre-issued before a birthday, **be advised that the license and permit can not be used until the youngster is 10 years of age.**

An applicant who applies with a regular archery license and receives a permit may take an antlerless deer with a firearm during the regular firearms season provided a valid **firearms** license is also possessed.

Maine resident landowners may hunt without a license on their own land if they live on that land, the piece of land exceeds 10 acres in size, and the land is used exclusively for agricultural purposes. A landowner whose hunting privilege is under revocation is not eligible to receive an any-deer permit. Landowners may enter the drawing by submitting signed landowner affidavit forms with their application. Landowner affidavits are mailed to all landowners who applied with one the previous year, or affidavits may be requested by mail, phone or email. An unlicensed, resident landowner may apply for an any-deer permit only in the district where his or her qualifying land is located. If an unlicensed landowner is selected to receive a permit, the permit is valid only on the qualifying land, even if a hunting license is later acquired. **For a permit to be valid anywhere in a district, a hunting license must be acquired prior to applying, and the license number must be used on the application.**

NOTIFICATION

Permittees will be selected by a computerized random drawing in September 2009.

- Winner's names and permit numbers will be posted only on our web site at www.mefishwildlife.com
- Successful bonus deer permit applicants will be posted on our web site. Permittees must pay a **\$12 permit fee** (online or by mail) before receiving his or her bonus deer permit number. Do not send fee with application.

Note: The Department is no longer mailing out durable Any-Deer permit transportation tags. Instead, Any-Deer permit winners will need to record their permit number (which can be found on our web site) and report this permit number when tagging their deer. The Department suggests that Any-Deer permit winners write their permit number on their license so it is readily available when needed at the tagging station.

BONUS DEER PERMITS

In several WMDs, there may be more any-deer permits available than applicants. Unclaimed permits (bonus deer permits) will be allocated in a chance drawing until all permits in that district have been issued.

- A bonus permit entitles a hunter to an additional deer.
- Bonus permits are for **antlerless deer only**.
- An applicant may choose to apply for a bonus deer permit and not apply for an any-deer permit.
- Bonus permits will be distributed to hunters who applied for a bonus permit in the WMD where any-deer permits went unused.
- **The fee for a bonus permit is \$12 if selected. Do not send fee with application.**
- Bonus permits may be used at any time during the regular archery, firearm, or muzzle-loading seasons on deer but only in the assigned WMD.
- Hunters are not required to fill their any-deer permit prior to using a bonus permit.
- Bonus permits are available to residents and nonresidents and will be allocated in the same proportion of residents to nonresidents as the regular any-deer permit drawing.
- Bonus permits may be transferred to a junior hunter, a hunter 65 years of age or older, or a person with ambulatory disabilities in the same manner as any deer permits. Only 1 bonus permit is allowed per person.

TRANSFER OF ANY-DEER PERMITS

Any person who has been issued an any-deer, bonus deer, or superpack antlerless deer permit may transfer the permit to a junior hunter, a person 65 years of age or older, or a person with ambulatory disabilities. Permits can be transferred online at www.mefishwildlife.com or by completing the transfer form obtained from the Department. You must provide the transferee's name and address, date of birth, and 2009 Maine hunting license number. If the original permit holder takes a deer during the regular archery hunting season and does not use the permit, he or she can still transfer the permit to a junior or senior hunter. Only 1 Any-Deer permit is allowed per person.

For a description of WMDs contact us at 207-287-8000 or check our website: www.mefishwildlife.com

Be sure to check map for WMD boundaries before making your district(s) selection.
